Relationships Count #4: Parent in Leadership Role at Church

Children are positively impacted by parents who engage themselves in useful service to the church and school by serving on boards and committees. The leadership role within the church is not limited to pastors, elders, and the school board. Boards and committees exist for evangelism, parish education, stewardship, youth, older adults, and many more. For the school, people serve on the Lutheran School Board, Auction Committee, Parent-Teacher League, and on other projects as well.

Action Item: Reach out to the church or school to find out ways to volunteer and serve!

Remember to continue to pray, read God's Word, and attend church regularly!
