PRINCIPAL'S PEN In Remembrance

Joy: Fully Loved

As I walked down the street from my house in the middle of the block to the corner to catch the bus for another ordinary, regular day of 5th grade, Stu (a neighbor) stopped my dad and asked, "Did you see the news? An airplane struck the World Trade Center."

Where were you 18 years ago today? Do you remember what your first thoughts were?

I'll be honest, as a ten year-old boy, I had no idea what the World Trade Center was, no idea what terrorism was, and no idea how it would change life in America. I remember our church held a prayer vigil. I remember the wave of patriotic country songs that came out after 9/11.

Lord, as we remember the 18th anniversary of 9/11, please continue to be with those who mourn the loss of loved ones. Be with those who still deal with physical injuries and disorders, especially the first responders who risked their lives to save others. Lord, continue to be with our nation and our leaders.

Blessings,
Mr. Poppe
