PTL Faculty and Staff Gift Fund

Please consider making a donation to this fund that will be used to make a gift to faculty and staff of St. Paul's Lutheran Elementary. Room mothers will not

need to collect money toward a class gift for the teacher. PTL will combine the money and present the Faculty and Staff members with gift cards at Christmas to show our appreciation for all they do. A \$5.00 per student donation is a suggestion. Please enclose your donation in the envelope provided and turn in to the school office. Thank you!
